"Pioneering Student Centric Education"

About Scientia 2024:

Scientia 2024 is designed with the aim of nurturing a culture of research and innovation among undergraduate and diploma pharmacy students, as well as promoting research skills among postgraduate students. The event connects with the desired program outcomes by facilitating teamwork, developing planning abilities, familiarizing learners with modern tools, improving communication skills, and imparting lessons on the environmental and sustainable development of pharmaceutical products.

It is being organized second time with theme "**Cultivating Creativity, Nurturing Innovation**"

The Scientia-2024 initiative is centered around a dynamic combination of visually appealing poster displays, models and an oral presentation competition. This comprehensive event not only celebrates creativity but also encourages networking and interaction among participants and attendees.

Registration Fees: Rs 200 per participation

About Us:

Arvind Gavali College of Pharmacy, Satara, established in 2007 by Chairman Shri. Arvind Gavali, foresaw the need for a quality pharmacy institution in Satara. With the leadership of Secretary Mr. Nishant Gavali and Principal Dr. V. Y. Lokhande, the college boasts a spacious building, well-equipped labs, a resourceful library, and top-notch amenities. Recognized as one of the best-planned pharmacy college buildings, the college, guided by Mr. Nishant Gavali, has evolved into a premier pharmacy institute in the western zone. Under the student-centric approach of Dr. V. Y. Lokhande and the faculty, the college excels in academics, extracurricular activities, and research.

Arvind Gavali College of Pharmacy offers degree, post-graduate, and diploma programs, with additional PG programs initiated in 2022-23. The UG and PG courses are affiliated with reputable institutions. The college is accredited by NBA from AY 2023-24 to 2025-26. The infrastructure supports industry-academia interactions, research activities, and drug development. The training and placement cell facilitates student placements in various sectors.

Our strength lies in the success of our alumni, and as pharmaceutical sciences evolve, we strive to meet global education standards. Embracing a shared vision and mission, we nurture future generations collaboratively with our dedicated institute, teachers, and staff.
